### Organiser's Comments

The long course treated us to one of the best races we are ever likely to see. Thomas Deacon and Nick Romain are both international canoeists who have competed in the World Junior K1 Championships. They had a neck and neck battle all the way with Thomas getting the better of the sprint finish.

Two new course records were set by Stephen Swallow (winner, medium course) and the Tickle family (1<sup>st</sup> canadian, short course). Amanda Kitchen's second place in the medium race was also superb. Peter Roscoe became our first competitor aged over 80 years as well as recording a fast time in the long course.

Your generous donations for the BBQ and camping enabled the York Canoe Race to send a cheque of £100.00 to Humbledon Outdoor Activities Association. Thanks for your financial support. We know that it will be well used in organising outdoor activities for people with learning disabilities.

The provisional date set for next year is June 23, 2018. Hope to see you all again then.

Philip Puckrin

(secretary, York Canoe Race Association)
